Shadows! This has to be the oddest document I've ever found! These cryptic titles seem to correlate with major events of the cosmere – it even refers to your work, my friend. I've taken the liberty to note further connections, avoiding our travels.
—Nazh

* Mistborn: The Final Empire
† Shadows for Silence in the Forests of Hell
‡ Allomancer Jak and the Pits of Eltania [I warned Jak that his verbose title would cause problems, but he insisted on it after I vetoed Jak vs the Koloss, sigh...]
